Dear Parent

Please find overleaf, the Y11 after school revision timetable for the first term. Please be aware that subjects change days every term, a new timetable will be posted out to you in December for the spring term. The Y11 revision timetable will be available to view on the school website. You will also find useful links to revision resources and material which will aid your child with their revision.

Those that have not approached school and school work as well as they'd hoped in the previous year now have opportunities to put all that right. It is NOT too late. The coming weeks and months, all the way up to the end of June, are of the utmost importance. As a school we will do everything we can to support your child and ensure that they have every opportunity to reach their full potential.

If you have any queries or concerns, please feel free contact myself or Mr Bartle (Head of Y11) and we will endeavour to help.

Yours faithfully

Mr M Newsome
Assistant Headteacher
