Dear Parent

From Monday 30<sup>th</sup> March, Rawmarsh Community School will be closed to all students. This is due to very low numbers of students requiring childcare provision.

However, for those students that still require childcare provision, we have made alternative provision for them to attend **Monkwood Primary School, Estate Road, Rawmarsh, Rotherham, S62 7JD.**

If you require a place for your child, you need to contact Rawmarsh via the MyEd app, by email [mturton@rawmarsh.org](mailto:mturton@rawmarsh.org) or by calling the alternative school number 07513292857. This is so we can ensure all appropriate safeguarding measures have been put in place before your child starts at the school.

This placement at Monkwood Primary School will only be available whilst Rawmarsh Community School is closed. Once Rawmarsh Community School reopens, your child would go back there.

Please remember that Monkwood Primary School is open as an emergency provision only. Parents should keep their children at home. Key worker parents should ensure, where possible, that students are left at home safely because there is adequate care or they are old enough and responsible enough to look after themselves. Only when this is not possible should a key worker parent send their child to school.

By closing schools, we are slowing down the spread of transmission. We all need to play our part to keep ourselves safe and help reduce the strain on our local NHS services

Thank you for your ongoing support during this challenging time.

Yours sincerely

Matthew Turton  
Headteacher
