Welcome to RCS Transition 2022: Creative, Sport and Languages Curriculum Taster Sessions

“STRIVING TO GIVE OUR STUDENTS THE BEST POSSIBLE LEARNING OPPORTUNITIES”

Our Mission

- We aim to send every young person into the wider world both able and qualified to play their full part in it
- We want all students to be equipped, not only with the qualifications...
- but also with the skills and personal attributes to deal with the challenges of life
- Above all else we want all our students to be happy and successful

All students following a broad and balanced curriculum which consists of at least thirteen different subjects.

*Drama is embedded into the English curriculum on a rotation.

**Students requiring Literacy Intervention will have this in place of one of their timetabled MFL lessons.

School Leadership Opportunities

2 students from each year group make up the Student Leadership Council.

In the Student Council we look into ways to improve the school not only from our view but the other students as well. All of us in the Student Council are always kind and respectful and always follow the Rawmarsh Way.

Us in the leadership council are leading on Rawmarsh Media, making the school newsletter and creating school news videos.

We also get to attend and represent at whole school events such as this one.

The council present to the Headteacher and the Senior Leadership Team and make proposals of school improvement

However not only is there the Leadership Council there is the eco Council who are responsible for trying to encourage more environmentally friendly practice around school.

There are also Form Reps where a member of each form can meet in Year Team meetings to discuss plans in their own year group, providing a voice for their for peers.

All of this is great opportunities for you to get involved in and to help make a change with us!
