MOVING UP GUIDE

WICKERSLEY
PARTNERSHIP
TRUST.

**AS ADULTS. WE KNOW
THAT OUR CHILDREN
WILL SOMETIMES
FACE ADVERSITY AND
FRUSTRATION.**

At Rawmarsh Community School we want all students to leave able and qualified to play their full part in an ever-changing world, through an ambitious, creative and innovative curriculum.

This means we want all of our students to start their lives equipped with not only qualifications, but also the skills and attributes that they will need to deal with the challenges of life beyond their time at RCS.

We aim to work in partnership - parents, students and teachers - to develop our children as resilient individuals with the determination to overcome barriers. For that reason, we say and do things in a certain way at RCS: "The Rawmarsh Way". This allows us to promote the skills our children need to develop their independence, responsibility and resilience.

WELCOME!

We promote a high challenge, low fear environment, where students are encouraged to have a go without fear of making a mistake. Children are encouraged to learn from their mistakes, as the most valuable achievements are the ones they have worked hardest for. Working together, the Rawmarsh Way will help us ensure that our children leave ready to play their full role in the world

**WE STRIVE
FOR EXCELLENCE
IN EVERYTHING
WE DO.**

Our vision is to be an Outstanding School, where all students have every opportunity to fulfil their potential; a school where our challenging and diverse curriculum and high quality teaching and learning, alongside our supportive pastoral care will secure success and achievement for all.

Our school is business-like and purposeful and our students want to learn. Smart dress, good attendance and punctuality underpin our ethos of high expectations.

We are **100% child centred** and believe that all children have the right to a quality education, and we encourage, challenge and **support every child**.

EQUIPMENT

We all recognise that we come to school to learn. In order to do this it is essential that you bring the **correct equipment every day.**

Students should only be absent if they have a really good reason for being away. Research shows that students with attendance of over 95% produce the best results at GCSE.

**TO ACHIEVE THEIR
BEST. STUDENTS
MUST BE ON TIME
AND IN SCHOOL
EVERY DAY.**

Therefore, being in lessons will help your child with their learning. Their attendance will appear in their school reports and is reported to colleges or employers when they leave school.

If there is a problem that prevents your child attending, there is always someone in school who you can talk to about it; your child's Form Tutor or Student Pastoral Manager.

The attendance team will always help you get the support you need.

ATTENDANCE

PUNCTUALITY

If students arrive after 8.45am they will be registered as late.

We value punctuality for a number of reasons: it ensures that lessons start on the most positive footing, it avoids classroom disruption and it minimises wasted time for both students and teaching staff. Furthermore, it is an issue that many companies will consider when interviewing candidates for employment or training.

ILLNESS & MEDICAL APPOINTMENTS

If your child is ill please telephone the Attendance Team on 01709 512290 before 9am the same day or message school via the MyEd app.

For absences known in advance, e.g. a medical appointment, a note must be provided. This should be presented to the attendance office before students sign out. Students should sign back in on their return. If your child is not at school we need to make sure they are safe. We will text or telephone you to ensure you are aware that they are not in school. It is our duty to investigate unexplained absences either through school or the Early Help Team.

HOLIDAYS IN TERM TIME

We will NOT authorise holidays in term time. Any holidays taken will be classed as unauthorised absence from school.

BEHAVIOUR & EXPECTATIONS

CODE OF CONDUCT

All students are responsible for their own behaviour in and out of the classroom. They should, in each lesson, take personal responsibility for their actions and follow the necessary sanctions placed on them by staff.

STUDENT CLASSROOM CONDUCT

- Attendance is crucial to academic achievement and students are expected to attend school every day.
- Punctuality is a direct example of a student who is on message and we expect all students to arrive to school and all lessons on time.
- Uniform is important in ensuring a calm and business like atmosphere in school and students are expected to attend school in full uniform without exception.
- Equipment ensures all students are ready to learn. We expect all students to arrive to lessons with the correct equipment: This is inclusive of PE kit, books and as a minimum a pen, pencil and ruler.
- All students are expected to line up calmly ready to enter lessons. This is to ensure a meaningful start to each lesson.
- Students must remove all outer clothing on entering the classroom and get out their equipment.
- All classroom teachers' instructions must be adhered to at the first time of asking.

**WE ARE ALL MEMBERS OF
THE SCHOOL COMMUNITY
AND IT IS EXPECTED THAT
EVERYONE ACTS WITH
CONSIDERATION AND
COURTESY FOR OTHERS AT
ALL TIMES.**

- All requests from members of staff should be carried out without argument.
- No student should be disrespectful to, or show rudeness towards, anyone in school.
- Mobile phones must be turned off and in your bag from the moment you enter our school site, until the end of your school day. If a mobile phone is seen, it will be confiscated by a member of staff.
- Earphones or charging devices in lesson or anywhere on school site are not permitted. If seen they will be confiscated immediately and without exception.
- Bullying will not be tolerated.

CLASSROOM TEACHER EXPECTATIONS

All classroom teachers are responsible for behaviour for learning within their own classroom. They should, in each lesson, take personal accountability for dealing with incidents and following through necessary consequences and restorative practice to ensure behaviour is approached with consistency.

TARGET SETTING

Students complete baseline tests in English, Maths and Science. We use these scores, alongside data we receive from Primary Schools to set targets in Year 7 and 8 in all subjects.

These targets are the levels we expect students to achieve in each subject. They are realistic, so every student is capable of achieving their target; they are also aspirational, encouraging students to strive to attain the best possible level.

KEY TERMINOLOGY

Target Level / Grade

This is the level / grade that your child should aim for.

Current Attainment

This is the level / grade that your child is currently working at.

Predicted Level / Grade

This is the level / grade that your child is expected to be working at by the end of the year / end of Y11 at GCSE.

DATA COLLECTIONS & FULL REPORTS

You will receive a Data Report for your child **three times per year**.

In Y7, Y8 and Y9, this will include a breakdown of the objectives your child has studied during the term. Here, you will be able to see how many objectives they have mastered successfully. Some of the objectives that your child has not yet achieved will be included in the report as a subject-specific target. These targets are important skills or vital areas of knowledge, which will be central to your child making progress in each subject.

In Y10 and Y11, you will receive information about your child's current attainment and the predicted grade submitted by their teacher for the end of Y11. Personalized subject-specific targets will indicate what your child needs to do to improve their attainment.

Effort

Attendance and effort are two of the most **significant factors** when determining how students perform academically at Secondary School. At RCS, we dream big and never give less than our best.

If a student's attendance and effort are exemplary, then the outcomes achieved at the end of Y11 should reflect this. At RCS, there is an effort grade for each subject and an overall average effort, this will give you an insight into your child's attitude and behaviour in lessons. Effort is graded as: Outstanding effort – independent learner, Good effort – engaged learner, Requires Improvement – dependent learner or Poor effort – disengaged learner. This effort grade provides an insight into your child's attitude towards learning in each subject.

All students are capable of achieving Outstanding for effort, regardless of ability. Students are also given an 'Effort Rank' - this is a clear indicator of how hard your child is working relative to other students in the year group. For example, in a year group of 200 students, a student with an "Effort Rank of 1 out of 200" has Outstanding effort in all of their subjects. If there are 30 students with Effort Rank 1, a student with "Effort Rank of 31 out of 200" will have mostly Outstanding effort with one Good effort. "Effort Rank 200 out of 200" indicates that effort must improve in all subjects. Students should always strive to be top of the Effort Rank.

GOLD. SILVER & BRONZE AWARDS

Our students wear their Gold, Silver and Bronze badges with pride and it's become an RCS tradition to wear these on ties as a marker of the many wonderful achievements.

Badges are awarded after each Data Collection and the criteria for these takes account of:

- Effort
- Attendance
- Punctuality

At the end of each year, we identify success across all of the data collections with our Bronze, Silver and Gold Rewards Pyramid where we celebrate the achievements of those students who consistently meet the highest standards.

The names of all of our award winners go up on our corridor displays to celebrate their success.

RAWMARSH PLEDGE AWARDS

As part of our whole school initiative to promote Life Skills, Active Citizenship and Cultural Experiences through Enrichment, we celebrate the achievements of our students who have completed Rawmarsh Pledge tasks.

There are three levels of award available starting with Bronze, through to Silver and finally Gold. For the Pledge tasks, there are separate Pledge tasks for KS3 and KS4. RCS Pledge completers will receive our new Pledge Badges to celebrate their achievements.

100% ATTENDANCE

Every half term students with 100% attendance for that full term are invited to have their photo taken as a whole group, this is then displayed around the school. Students receive a certificate praising them on their attendance and also a prize..

EFFORT RANKING SYSTEM

The effort rank will be displayed around school for students who have been ranked number 1 for the longest amount of time. In addition students who are number 1 in the effort rank will receive letters and phone calls / texts home. Students who are recognised for outstanding effort and improved effort have photo rewards that are sent home to parents.

Students will receive an Effort Point for the effort they put into lessons relating to: work ethic, independence, self-discipline or progress. Examples may include thoughtful contributions and classwork, research and homework, presentation, extra reading and performance in assessments.

LEADERSHIP LUNCH

Every half term, all year groups and tutors nominate students in their tutor group who have gone above and beyond for that half term, displaying the Rawmarsh Way.

These students invited to a “Leadership Lunch” have exclusive access to a special lunch in the cafeteria, which is closed to all other students. Our nominees may bring along a friend of their choice who can join them for their free lunch along with the Senior Leadership Team and their HOY/SPMs.

AWARDS ASSEMBLIES

The Awards Assemblies take place at the end of each academic year and celebrate the success of students from year groups 7-10. The assemblies celebrate the achievements made by our students over the course of the last 12 months both in and out of school; in particular those who have excelled in subject areas, improved their effort or demonstrated outstanding effort consistently. The assemblies also celebrate attendance and endeavour.

About me:

I grew up in Sheffield and went to University in Manchester to study English and History. My first job was EAL lead in a Sheffield school which I loved and decided to train to teach.

I was placed at RCS with Teach First as a teacher of English and have stayed ever since!

I recently completed my MA in Leadership in Education and my role in school currently is Personal Development Lead. I am very passionate about enriching and developing students' personal development; ensuring all RCS pupils leave school able and qualified to enter society with confidence and resilience to succeed in their goals.

About me:

I'm from West Yorkshire, I live in an ex mining town, sport was a big part of my life growing up. I have great interest in all sports, but grew up playing football and rugby league. Before becoming a PE teacher I studied Sport and Education at Liverpool Hope University and then went on to complete a PGCE at Wolverhampton University. I spent time working as a sports coach in my local secondary school to gain experience before taking a PE teaching role at RCS. I have been at RCS since 2009 and have really enjoyed taking numerous sports teams over that time. Whilst being at RCS I have also completed a Masters in Teaching & Learning with Sheffield Hallam University. I have had experience working as a traditional Head of Year in the past and also had numerous roles with the PE department. My current role- Attitude to learning lead is a role I'm really enjoying being able to support and reward students at RCS. I love learning new things and helping others to be better. In my spare time I like being outdoors and being active.

About me:

I grew up in a small village in Nottinghamshire. I attended my local dance school from the age of 5 studying Disco Freestyle, Street Dance, Ballet, Tap and Contemporary dance styles and fell in love with performing arts from that moment! After completing secondary school I went on to study Performing Arts, Theatre Studies and English A levels. I then decided to take a 2 year gap to broaden my horizons in performing. I have performed in dance productions such as Hairspray and CATS. I also became an Adele and ABBA tribute act during this time. I then attended the university of Derby where I gained my BA(Hons) degree in Dance and PGCE post 14 in education. I also toured with my university dance group, performing all over the Midlands. Teaching is something that I have always wanted to do from a young age and I am proud of the last 5 years that I have accomplished at RCS! I can't wait to celebrate your achievements with you and guide you through your RCS journey!

About me:

I grew up in Wath and attended Wath Comprehensive school, my favourite subjects were French and PE. I moved to Rawmarsh in 2005 and started working at RCS in 2018 working as an exams officer. Because of lockdown and no exams for a few years I got to spend time with students and found my passion of working in a pastoral role and was lucky enough to secure the role full time this year.

About me:
I was born and grew up in a small mining village in West Yorkshire. I have a passion for mechanics and aircraft which led me onto joining the RAF, where I played rugby, football and cricket. I'm currently a community coach for Rugby Union and Rugby League (and learning disabilities). I have a degree in sociology, and have worked in areas such as: Youth Justice, schools as a senior SEND Teaching Assistant. Also experience in the field of restorative and family mediation. About me:

I went to a boarding school in West Yorkshire from the age of 12-18 which was nothing like in the Harry Potter stories unfortunately! From there, I went on to complete a sports degree at York St John's University. I spent several years as an Assistant Fitness Manager at Don Valley Stadium alongside Personal Training. I fancied a change and began the role of Cover Supervisor at Handsworth Grange Community Sports College part time whilst completing a PGCE for post 16 education. During this time I realised I wanted to help students/children and left to pursue my career here at RCS.

About me:

I grew up in a small town near Doncaster where I lived with my mum, dad, brother and sister, until I was 19.

I have two sons and a dog called Miller. He is a Lhasa apso and very cheeky.

In my spare time I look after the dogs of my family and friends, while they go on holiday.

I enjoy listening to music, shopping and watching a good netflix series.
